

## **ATG Danmon Key Personnel**

### **Howard Dixon - Projects Manager**

With nearly 32 years of experience Howard has demonstrated the ability to deliver many high profile projects.

Howard has worked as Senior Project Manager for a number of internationally based Systems Integrators including Sony Broadcast, Ascent Media and Tektronix (Grass Valley). A selection of his main projects include complete TV stations for Swedish Broadcaster TV4, TV2 Budapest, Central Television in Birmingham, Scottish TV and various projects across the BBC and regions.

Howard also spent some time in the US, working for Sony. Here he delivered systems to Disney, NBC, CNN and a number of regional channels and educational establishments.

Howard brings to ATG Danmon a wealth of experience in Project Management delivering complex systems in sometimes challenging environments
